FLOOR LAYOUT

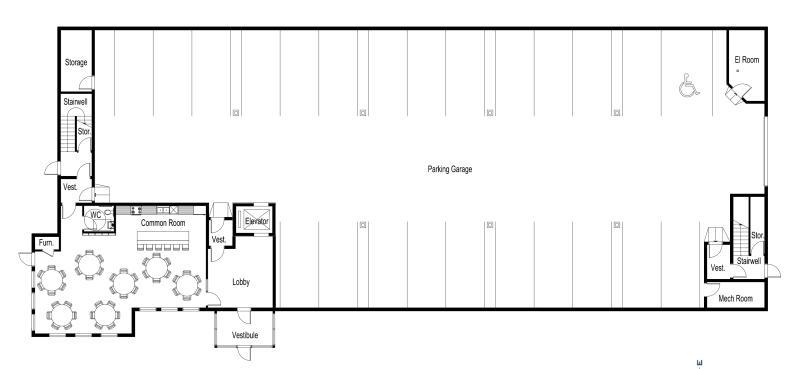

"We love our apartment plus all the people in our building. We keep busy with chair yoga three mornings a week. Plus we have cribbage Tuesday afternoons and happy hour on Fridays. We make use of the garage for walking in as it's much safer than walking outside. And we have the best property managers. The best move we could have ever made."

"I love living at Timberland. The apartment is wonderful.

What I like most is the people. I was in the hospital for an extended period. When I got home having such good neighbors checking in on me was great. I really fett cared for and part of a marvelous community. So happy to be here." Jeanette
